USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

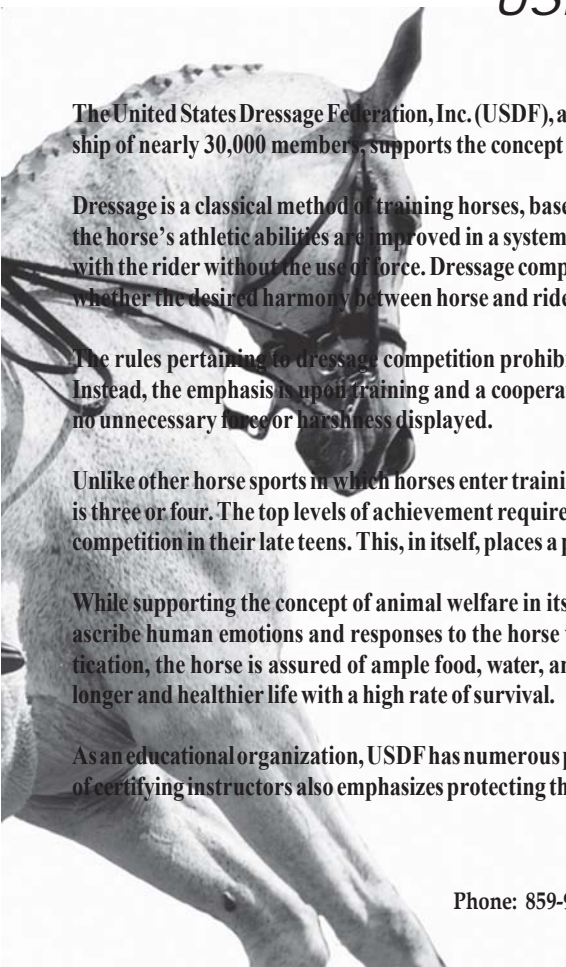

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

GENERAL INFORMATION

EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT USEF RULE BOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH.

All questions not covered in these rules and regulations shall be decided by show management whose decision shall be final.

RECORDING NUMBERS: All horses entered must be registered or have a HID number with the United States Dressage Federation (USDF) unless they are only entered in classes on the exception list, and with the US Equestrian Federation (USEF) or have a HID number. Those horses without a USDF HID number must include a \$25 HID fee or must present their USDF horse Lifetime registration certificate with their entry unless only competing in classes on the exception list. USEF requires a horse identification number also and will use USDF's number if the horse is not recorded already with the USEF. There will be no USEF charge for this. Exception – see “Opportunity Classes.” Horses will not be eligible to participate in the Great American/USDF Regional Championships qualifying classes unless USDF registered and USEF recorded.

RIDER USDF NUMBER: Riders who are not USDF members must have a USDF number to participate in USEF/USDF competitions unless the competitors and horses are competing in only USDF Introductory Level tests, Opportunity Classes, or Pas de Deux classes. USDF will issue a card to all non-members with this number and a \$25 USDF non-member fee must be paid. A \$5 Affidavit Fee will be collected if the person does not provide a copy of their USDF non-member card, which they may download from the USDF Website.

MEMBERSHIPS: USEF requires all competitors to submit proof of USEF membership or pay the Show Pass fee. All USEF members (including riders, handlers, trainers, owners, agents, coaches or lessees) are required to present either their actual membership card or a facsimile to the show secretary prior to competing. Each competitor is responsible for supplying the show secretary with correct association numbers: (1) current USEF “competing” membership for rider, handler, owner, trainer, and coach (if applicable) or pay the Show Pass fee; (2) current USDF membership for rider (Participating or Group) and owner (Participating, Group, or Business) or copy of non-member card and pay the Non-Member fee. The scores of the competitors who fail to supply correct numbers may not be counted toward national/local awards. (Exception – see “Opportunity Classes”).

NON-USEF MEMBERS: Must ride in the open divisions unless they have current adult amateur status or are Juniors or Young Riders. You must enclose a copy of your USEF non-member amateur card.

RIDER'S USEF/USDF MEMBERSHIPS: A copy of rider memberships must accompany entry. Either a USDF non-member fee of \$25 or an affidavit fee of \$5 must be included if membership documentation is not presented. A USEF non-member fee of \$25 must accompany entry if membership documentation is not presented.

OPPORTUNITY CLASSES (Classes 104-106, 204-206): Will be offered in accordance with GR331. Horses entered only in these classes are exempt from USDF and USEF membership and non-member fee requirements, including the Drugs and Medications fee, and are not required to have a Horse Identification (HID) or Recording Number. If a horse has been assigned an HID or Recording Number, they must be listed on the entry. Horses are still subject to and must comply with the Drugs and Medications rules and may be selected for drug testing. Riders and trainers entered only in these classes are exempt from USDF and USEF membership and non-member fee requirements; however, they are required to list their USEF membership number if they are an active member. All USEF Dressage Division (DR) rules apply, including dress and saddlery requirements, in addition to all applicable General Rules. Scores in these classes will not be included for any High Point awards. The standard Training Level fee applies to these classes. Cross entry to other non-Opportunity classes is permitted, but then all applicable fees and membership requirements apply.

JR/YR INFORMATION: To qualify for the GAIG/USDF Regional Championships, Junior riders (ages 14 to 18) must ride the 2009 FEI Junior Team Test to qualify for the FEI Junior Division. Eligible Young Riders (ages 16 to 21) must ride the 2009 FEI Young Rider Team Test to qualify for the FEI Young Rider Division. Prior to riding in the GAIG/USDF Regional Championship qualifying classes, riders must pay the \$10 qualifying fee per class to the competition secretary.

DEFINITIONS AND ELIGIBILITY: Adult Amateur entries must be registered as such with USEF and must enclose a copy of their current USEF membership card. Individuals are eligible to enter as Juniors until the end of the calendar year in which they reach the age of 18. Individuals are eligible to enter as Young Riders from the beginning of the calendar year in which they reach the age of 16 until the end of the calendar year in which they reach age 21. Competitors shall compete as Adults from the beginning of the calendar year in which they reach age 22. (USEF Dressage Art. 1919.3) Riders who are 16 or 17 years old may compete as either Juniors or Young Riders, but not both in the same show. Open classes are open to anyone eligible to compete, including professionals. Horses under 36 months of age may not compete in any dressage under-saddle class. Proof of horse's age is required for all 3-year olds.

QUALIFYING AND OPEN DIVISIONS: There are no "qualifying only" classes. Riders may qualify for the 2017 Great American Insurance Group/USDF Regional Championships only in a class designated as a qualifying class. Specify "Q" for qualifying on the entry form and pay the additional \$10 qualifying fee per class. **SPECIAL NOTICE:** Horses entered in qualifying classes must be entered under the complete official name registered with USEF and USDF, and the name(s) of the owner(s) must be correct on both USEF and USDF membership cards. All documentation must match. Riders and owners wishing their horses to be entered into USDF Regional Championship qualifying classes must be current members of USEF (Junior Active, Senior Active, or Life) and Participating Members (not Group Members) of USDF (owner may be a USDF business member). Horses must be USEF Annual or Lifetime recorded and have a USDF Lifetime Horse Registration at the time qualifying scores are earned. Effective December 1, 2016: Horse/rider combinations may enter more than one qualifying test and/or qualifying Freestyle at each level per day as Great American/USDF qualifying (USEF DR 127.4). Classes 198 & 298 (USEF Test of Choice) and classes 199 & 299 (FEI Test of Choice) are offered as qualifying for the Great American Insurance Group/USDF Regional Championship.

TRAINER: Trainer is defined as any adult who has responsibility for the horse on the competition grounds.

WITHDRAWALS: USEF rules require that competitors must request permission of the show secretary prior to withdrawing or removing their horse from the show facility prior to the end of the show. (GR1305.1)

CLASSES: Classes may not necessarily be run in the order listed in the Prize List.

SCHEDULING: Riders competing three or more horses per day do so at their own risk. If show management is not able to schedule the ride times to the satisfaction of the rider/owner, the entry fees will not be refunded. Show management will make every attempt to schedule rides with adequate time between rides.

NO SHOWS: We reserve the right to fill a competitor's subsequent ride times if that competitor fails to notify the competition of his/her intention to scratch. (DR126.3)

COGGINS: Copy of Current Coggins Certificate (within 12 months) **must** accompany entry. The Coggins must list the same horse name and description as is listed on the entry blank and on the USEF horse identification or recording documents. (GR907.3)

STABLING: 224 permanent stalls on grounds. All stalls are 10' x 12' timber and steel with rubber mats, individual lights, separate electrical outlets, and stall doors. No stall guards needed. Temporary stabling (10' x 10' with stall doors) will be available, if entries warrant. If temporary stabling is utilized, barn assignments will be made based on postmark date of entry (not "stable with" requests). Initial bedding (shavings) provided. Tack stalls available only after all horses have been assigned a stall. **ABSOLUTELY NO nails or screws permitted to be used in the stalls.** If you wish to be stabled with others, please list a person's name, not farm or stable name. Anyone changing stalls without permission from management will be assessed a fine of \$50. Please specify stallions. **SMOKING IS PROHIBITED IN THE STABLE AREA.** NO electric or water hookups permitted from barns.

NON-STABLED HORSES: There will be a grounds fee charge of \$50 per horse per weekend in addition to other applicable charges.

NON-COMPETING HORSES: Will be accepted upon payment of stabling or grounds fees, office fee and a \$25 facility fee. Owners, riders and trainers must complete an entry form, including signatures, and submit along with a current negative Coggins.

NIGHTWATCH: Mandatory for all overnight stabling at \$5 per horse per night. Service provided by a third-party vendor from 9:00 PM to 6:00 AM. Other services including water, hay and feed available through the vendor.

DOGS: Dogs are welcome at Poplar Place Farm but must be kept on a leash no longer than six feet. Loose dog fines will be imposed.

ARENAS: The standard 20 X 60 meter arena will be used for all classes, except USEA Eventing classes, which will use a 20 X 40 arena. Riding within the dressage competition arenas is not allowed before the show at any time; however, riding around the perimeter of the arenas is permitted the day before the competition starts.

FOOTING: Footing by Equestrian Surfaces in England. Cushion Track Premier is completely dust free and increases the cushioning properties of the surface, at the same time improving impact absorption thus prolonging the competitive career of the horse and reducing the risk of premature joint and repetitive strain injury.

LUNGEING: Available in the arena adjacent to Ring 6 (see Map). Absolutely no lungeing in the competition or warm-up arenas.

SHARPS: Pursuant to USEF rule 1210.4 each barn has one sharps container per 50 horses. Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$100 for improper disposal of needles or other sharp disposable instruments.

COMPETITION MANAGEMENT: Management reserves the right to refuse, accept conditionally, or to cancel any entries, disqualify any riders or exhibitors, prohibit entries and cancel award prizes without claims for damage; to cancel or combine unfilled classes, or to reschedule classes after due notice to exhibitors; to change rings or rotate judges. Entries will be accepted on a "First Come, First Served" basis. (GR915.3.a)

ANNOUNCEMENTS/RING STEWARDS: Class and ride-time announcements are provided as a courtesy to the competitors. Competitors are responsible for presenting themselves to the ring at their designated time and accept full responsibility for doing so. Ring stewards will make every reasonable effort to keep competitors and others informed and entering the ring in a timely fashion. Competitors are ultimately responsible for knowing the correct show time and their scheduled ride time, regardless of PA announcements, instructions of the ring stewards, or lack thereof. No protest will be upheld, nor any ride time changed due to failure of the competitor in meeting their responsibilities.

MOTORIZED VEHICLES: In accordance with GR1301.7, minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent(s), legal guardian(s), or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for sanctions against the parent(s), guardian(s), and/or trainer(s) who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with Chapter 6. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

TESTS: This show will use the 2015 USEF tests, the 2015 USEF Rider Tests, the 2015 USDF Introductory Tests A, B & C, the 2015 USDF Freestyle tests, the 2012 FEI Pony Team and Individual tests, the current FEI tests (see the FEI Website: www.fei.org) and the 2014 USEF Eventing tests.

BRENTINA CUP QUAILFIER (not available at all shows): The USEF National Young Adult "Brentina Cup" Test is judged by 2 FEI or USEF "S" judges. The test is the FEI Young Rider Grand Prix 16-25 Test.

YOUNG HORSE PROGRAM (not available at all shows): The Young Horse Program is open to four-, five-, and six-year-old horses. For the four-year-old horses, the test will be the 2015 USEF test (not the FEI test). For the five-, and six-year-old horses, the tests will be FEI Final tests. One to three "S" judges must judge all tests. Even though the FEI score sheets say that whips are forbidden in Young Horse Tests, for USEF Dressage Competitions they are allowed, unless the tests are part of a CDI, Selection Trials or National Championships.

USEF DEVELOPING HORSE QUALIFIER (not available at all shows): The USEF Developing Test is judged by 2 FEI or USEF "S" judges.

FREESTYLE REQUIREMENTS: In order to enter a freestyle class at any level including FEI Intermediate and Grand Prix, a horse/rider combination must have achieved a score of 60% or above in the highest test of the declared freestyle level or any test of a higher level at a USEF-recognized show. The FEI Junior and FEI Young Rider Freestyles are exempt from the 60% qualifying test requirement. A copy of the verifying test must be submitted with the entry for a freestyle class. Freestyle tapes and/or CD's must be in the show office at least 30 minutes before the first scheduled ride of each day.

PONY MEASUREMENT: A Federation Approved Measuring Stick with a metric scale must be used. All Level 3-5 Dressage Competitions must have a Federation Approved Measuring Stick on the grounds throughout the competition. Measurements must take place at a Licensed Competition in which the animal is entered to compete. At Level 3-5 Dressage Competitions, measurements must be conducted upon request of the animal's owner or agent, whether or not the animal is competing in pony tests or pony classes, or for pony awards at the competition. At competitions where the official veterinarian is on call, the prize list must include the time period when the veterinarian will be available to conduct measurements. The veterinarian will be available from 6:00 PM to 8:00 PM Friday, before the start of the show. Alternatively, when the competition veterinarian is on call and an alternative measurement time is necessary, management must receive a written request for measurement from the owner or agent at least five days prior to the start of competition. When the veterinarian is required to be on the grounds, the measurement request must be received prior to the start of competition. Management must schedule the competition veterinarian to conduct the measurement and may charge a fee for the measurement session. The measurement charge is \$75 per pony. Management is permitted to charge a maximum fee of \$100 when measurements are conducted during a time when the competition veterinarian is on call and a maximum fee of \$25 when the competition veterinarian is on the grounds.

RULES: EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT USEF RULEBOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH.

GDCTA: the Georgia Dressage and Combined Training Association, Inc. (GDCTA) recognizes this show. Show results are eligible toward GDCTA year-end awards.

PARA EQUESTRIAN: Para-equestrian riders may only compete in classes limited to para-equestrian riders (DR118.5). At this competition, these classes are the Para Equestrian Test of Choice classes (classes 191, 192, 291, 292). Individuals with disabilities, who require the use of compensatory aids or adaptive equipment, must hold a Federation Dispensation Certificate, International Para-Equestrian Classification Card (FEI PE Card), or USEF Para-Equestrian Classification Card. A copy must remain with the entry records for review by the Technical Delegate. Riders competing in Para Equestrian Test of Choice classes must follow the "two level rule." Grades Ia and Ib are equivalent to USDF Introductory Level; Grade II is equivalent to USEF Training Level; Grade III is equivalent to USEF First Level; and Grade IV is equivalent to USEF Third Level. Horses competing in FEI Para-Equestrian tests are limited to a maximum of three Dressage rides per day including equivalent USEF or USDF tests. Riders competing only in FEI Para-Equestrian tests may use either a plain snaffle bridle or simple double bridle. Riders competing in both FEI Para-Equestrian tests and USDF or USEF tests at the same competition must use a plain snaffle bridle at Grades Ia - III levels. A double bridle may be used in warm-up and while competing only at the Grade IV level. All tests for Para-Equestrian classes will be ridden in a standard 20 X 60 meter arena, except Grade I – III freestyles which will be ridden in a small arena. Para-equestrian competitors and the owners of horses competing in para-equestrian classes are required to have a USDF Participating Membership, USDF Business Membership, USDF Group Membership or a USDF Non-Member ID and pay the \$25 Non-Member fee per competition. Horses competing in para-equestrian classes must have a USDF HID number or be USDF Lifetime registered.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$75), 5-years (\$300), or life (\$1,500). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$60). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards, Great American Insurance Group/USDF Breeders Championship Series Finals and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$200) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$25 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$25). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or Great American Insurance Group/USDF Breeders Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$70. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$95) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete at Great American Insurance Group/USDF Breeders Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
