

Poplar Place Farm 2021 Volunteer Program

Points for Perks

1 hour volunteered = 10 points awarded (2.5 points per 15 minutes)

2 or more people from the same barn, or trainer, or a designated group, volunteering at the same show = 5 additional points to be awarded to each person's total for that day (not per hour)

- Free XC schooling = 40 points
- Free SJ schooling = 30 points
- Free DS schooling = 30 points
- \$25 off a class fee = 100 points
- Variety of merchandise coming soon!

Points can be redeemed at any time – once redeemed, those points are removed from their total

PPF will keep track of all points awarded – you won't have to keep up with anything

PPF will update the leader board after each event and post updates on our website

Poplar Points Matching

- > Barn, Trainer or Group points – each volunteer claiming a barn, or trainer, or a designated group will have their total points added together to equal the barn/trainer/group's accumulated points
 - 50% off a XC schooling day = 1000 points accumulated
 - FREE day of XC schooling = 2500 points accumulated

Barn, Trainer, or Group points are a total amount of points accumulated throughout the volunteering opportunities of the year – redeemed points will not be subtracted from the total

How it works:

1. Sign up for a position and time
2. Meet at the volunteer table for instructions and supplies – sign in before starting your position
3. Once finished, drop off all supplies at the volunteer table and sign out
